

**NEW**

**A NEW BREED!**

THE NEW GENERATION  
**SCORPIO**

**Mahindra**  
Rise.

Contemporary styling provides the striking first impression of the New Generation Scorpio, with a new aggressive exterior that includes dual projector headlamps with LED 'eyebrows', an imposing chrome accented front grille, integrated bonnet airscoop, and tough new road-armour bumpers. The elegant new LED tail lamps and stunning 17" Alloy wheels and other styling elements further complete the look.

## THE DEFINITIVE URBANE SUV - AT HOME ANYWHERE.

01

02

03

And it's not all on the surface either – the New Generation Scorpio is powered by Mahindra's legendary 2.2l, 4-cylinder turbocharged mHawk diesel engine with a new 5-speed manual transmission with improved gearshift for a smooth drive, free from fatigue.

05

- 01 - The Voice Assist System provides timely reminders of anything from fuel levels to seat belts and door ajar.
- 02 - More than just elegant LED tail lamps, hazard lights are automatically activated in emergencies such as sudden braking, or even when the bonnet is opened alongside the road.
- 03 - Mahindra's legendary 2.2l mHawk turbo-diesel engine with new 5-speed manual transmission.
- 04 - Projector headlamps with distinctive LED eyebrow.
- 05 - Cushion Suspension (A) And Anti-Roll Technology (B) provide higher flexibility and greater shock absorption.

## NEW LEVELS OF COMFORT, CONTROL AND CONVENIENCE

*01 - Sporty steering wheel with audio, telephone and cruise controls at your fingertips.*

*02 - Digital climate control will keep conditions comfortable in the cabin.*

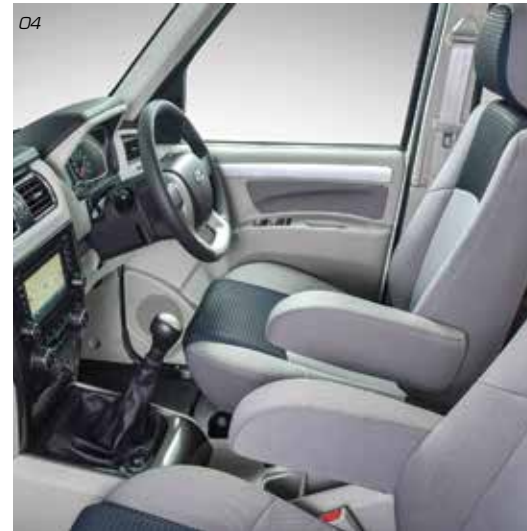

*03 - Multiple 12V power outlets to keep your accessories charged.*

*04 - Luxuriously appointed blue-grey seats create a sophisticated interior.*

*05 - The 3-dimensional instrument cluster keeps you perfectly informed throughout your journey.*

*06 - Fully adjustable vents distribute the air throughout the cabin.*

*07 - Fully adjustable driver's seat controls.*

The New Generation Scorpio responds to your every need with a luxurious blue-grey interior, dual-tone dashboard with a well-designed centre console loaded with features including the touch screen infotainment system with GPS navigation, Bluetooth, CD/DVD, and

with USB/AUX support. The management system provides vehicle related information at the tip of your fingers while the fully automatic temperature control maintains the cabin just as you like it without a need for constant adjustment. Air is circulated evenly through front and rear vents. On the driver's side the 3-D effect instrument cluster keeps you in-tune with the vital statistics of your drive and journey, and the all new sporty steering wheel incorporates cruise, audio

and telephone controls to keep your hands where they should be. The driver's seat also offers height adjustment to ensure your comfort.

# ADVANCED TECHNOLOGY

01 - Rain and light sensors will automatically activate wipers and headlights in adverse conditions.

02 - Micro-hybrid technology intelligently switches the engine into standby mode when not in use, saving both fuel and the environment.

03 - The touchscreen infotainment centre provides a central source of information about your car's operation and maintenance as well as an easy interface for communication, navigation and entertainment.

04 - The Tyretronics System keeps track of tyre pressures even whilst you're driving.

05 - Built-in satellite navigation will ensure you'll always find your way.

06 - The Intellipark system will help you into, and out of, the tightest spots.

07 - ABS (anti-lock braking system) with EBD (electronic brake distribution) will prevent you from skidding and losing control in instances of sudden braking.

08 - Dual front airbags will help to protect you in cases of sudden impact.

Other advances include the introduction of Micro-hybrid technology that enables the engine to intelligently switch into standby mode when not in use, thereby saving both fuel and the environment. Rain and light sensors automatically turn the lights on in adverse lighting conditions and your wipers on in the rain. The Tyretronics system provides live readings of tyre pressures as you go, and will keep you informed of any sudden changes, and you will never struggle to park again with the Intellipark system that

warns of any obstacles within 15 – 20cm, making parking safe and convenient. There is also a Voice Assist System to provide timely reminders of anything from fuel levels to seat belts and door ajar.

On the performance front, new Cushion Suspension and Anti-Roll Technology provide unparalleled stability and road holding, while ABS (anti-lock braking system) with EBD (electronic brakeforce distribution) will prevent you from skidding and losing control in instances of sudden braking.

Other safety aspects of the Scorpio include dual front airbags, crash protection crumple zones, steel bars in the doors to absorb and defer impact and a collapsible steering column to reduce injury in case of collision. The engine immobiliser includes an encrypted key recognition system that will reject any foreign key accessing the vehicle. This is further supported by the anti-theft warning system that will sound a siren upon any attempt at illegal entry.

# SPECIFICATIONS

ENGINE	
Engine designation	mHawk
Fuel type	Diesel
Capacity	2,179 cc
Cylinders	4
Bore and stroke	85 x 96 mm
Compression ratio	18.5:1
Induction	Variable Geometry Turbocharger with Intercooler, Common Rail Direct Injection
Valvetrain	4 Valves per Cylinder
Power	88kW @ 4,000 r/min
Torque	280Nm @ 1,800 ~ 2,800 r/min
Fuel consumption (combined cycle)	7.2 l/100 km
TRANSMISSION	
Drive	2WD and 4WD
Type	5MT320 5-speed manual
Low range	On 4WD model
4WD	Electrical shift (e Disconnect) no hubs
Shift-on-the-fly from 2WD to 4WD	On 4WD model
CHASSIS AND SUSPENSION	
<b>Improvements</b>	<b>Ladder frame chassis</b>
	New Generation 3 chassis (Cayman Dynamics)
	Widened chassis track for enhanced stability
	Cushion suspension for enhanced ride comfort
	Anti-roll technology for improved handling and safety
FRONT	
Type	Double wishbone (Cayman Dynamics)
Shock absorbers	Hydraulic, dual acting, telescopic
Suspension travel	195 mm
REAR	
Type	Multi-link Coil Spring Suspension with torsional type stabiliser (Cayman Dynamics)
Shock absorbers	Hydraulic, dual acting, telescopic
Suspension travel	195 mm
BRAKES	
Technology	ABS with EBD
Front	Ventilated discs (298 mm), 2 Pot Calipers
Rear	Drums (282 mm)
DIMENSIONS & CAPACITIES	
Overall length	4,456 mm
Wheelbase	2,680 mm
Overall height	1,995 mm
Overall width	1,820 mm
Track front	1,520 mm
Track rear	1,500 mm
Ground clearance	180 mm
Approach angle	25 Deg.
Departure angle	18 Deg.
Breakover angle	14 Deg.
Height of air intake	800 mm
Fuel tank	60 litres
Wheels and tyres	6.5J x 17 alloy, 235/65 R17 radial tubeless

DIMENSIONS AND CAPACITIES (CONTINUED)	
Turning radius	5.4 m (2WD), 5.65 m (4WD)
Gross Vehicle Mass (GVM)	2,510 kg (2WD) / 2,610 kg (4WD)
Gross Combination Mass (GCM)	4,410 kg (2WD) / 4,510 kg (4WD)
Tare Mass	1,895 kg (2WD) / 1,995 kg (4WD)
Towing capacity	1,900 kg (2WD and 4WD)
EXTERIOR FEATURES	
Body-coloured bumpers front and rear	Two-tone applique on tailgate
Alloy wheels	Side steps
Mudflaps front and rear	Silver-accented fender bezels
Side cladding with silver 'Scorpio' embossment	Rear spoiler
Dual projector headlamps with advanced static bending technology (illumination in bends)	Foglamps front
Styled LED Eyebrow parking lights	Hi-tech LED tail lamps
LED high-mount stop lamp	Step in rear bumper for easy access
INTERIOR FEATURES	
Black and light-grey dual-tone dash board	Futuristic 3D-effect instrument cluster with light blue backlighting
Digital odometer, vehicle information and gear position readout	Ergonomically designed centre console
Chrome-surrounds on ventilation vents	Sporty steering wheel with audio/telephony and cruise controls
8-seater (2+3+3)	Blue-grey cloth upholstery
Foldable armrests on front seats	Fold-out armrest on 2nd row bench seat
Forward/aft slide adjustment for 2nd row seat 60/40 split	Removable 3rd row seats
Adjustable headrests (front seats, 2nd row and 3rd row)	Cup/bottle holders in console between front seats & rear doors
Tinted windows	Rear defogger
COMFORT AND CONVENIENCE	
6" Touchscreen Infotainment Centre with Bluetooth / CD / DVD / USB / AUX functions	3-speed fan and front demister
4 speaker audio	Built-in GPS navigation system
Cruise control	Follow-me-home and lead-me-to-vehicle headlamp function
Headlamp adjuster	Rain-sensing wipers with auto wipe speed adjustment
Two-speed wipers with intermittent wipe	Rear wiper and washer
Rear parking sensors	Voice assist alert system
Fully automatic temperature control air conditioning	Rear air conditioning vents
Height-adjustable driver seat	Power windows
Power side rear view mirrors	Engine stop/start function for fuel and emissions savings
Hydraulic-assisted bonnet opening	Remote fuel flap release
Remote central locking	Power steering (hydraulic assisted)
Tilt-adjustable steering wheel	12V Power outlet front and rear
SAFETY AND SECURITY	
Dual front airbags	3-point ELR safety belts (front and 2nd row), lapbelts for 3rd row
Crash protection crumple zones	Side impact beams
Collapsible steering column	Digital key-encrypted engine immobilizer system
Anti-theft alarm system	Emergency brake warning system (hazard lights)
Light-sensing auto on/off headlights	Speed alert warning over 140 km/h
Tyre-tronics onboard tyre pressure monitoring	Anti-pinch driver side window
SERVICE & WARRANTY	
Standard warranty	3-years/100 000 km
Service plan	3-years/ 60 000 km
